**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am currently a Sonic.net fiber customer. I was very happy to upgrade from Comcast to a vendor with better offerings at a savings.

I was also very happy to not have to deal with AT&T and the thought of having to deal with AT&T again is a very unpleasant prospect.

I run my business on my Internet access and bandwidth is very important. Sonic.net was been an excellent provider, offering a lot of value.

AT&T is well known for their terrible customer service. It would be a shame if they were allowed to position themselves in the primary position they have enjoyed for many years.

Please allow the market place to flourish through fair competition.
