**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I respectfully request that on behalf of consumers like my family, you say no to price hikes that will increase the cost of our internet services- these are used by our family members and for my small business. Broadband is critical to help me do business with my clients as well as local vendors who in turn create work for their employees.

I support broadband competition and urge you to maintain it.
