**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In my area in Rockbridge County VA if it weren't for Rockbridge Global Village in Lexington we would not have had an internet service provider for years as it was not available in our area. We have been with RGV for about 18 years. If you do away with the small businesses who pioneered the way you will give us no choice in service providers. That is unfair and does not allow for competitive pricing.

Thank you,

Sara Coffey
