**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer of broadband who will be materially affected if you cut off competition in the marketplace. I am a customer of Sonic who have been great to work with and I am very happy with their service. I wanted out of the ATT rat race of price hikes and gimmicks and found a great broadband company that has great prices and similar ethics to mine. They will be virtually eliminated if you move forward with your drive against competition.

Thank you,
