**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The local service by Comcast and ATT is bad and limited to lower speeds the. I currently get from Sonic in San Francisco. Please do not let the big companies push Sonic out. Regardless what you are told the other companies claim to offer high speed but when Ive signed up theres always an issue that they need to give me slow speed such as their old lines in San Francisco. Sonic has fiber to my house and its fast and reliable. Not to mention the customer service is night and day better.

Thanks,

Nicholas Hunt
