**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not take away my right to choose Sonic or other competitors. Do not monopolize this industry more than it already has been.

Cable companies should be forced to compete with smaller more competitive providers, as competition in the market place helps keep things fair for the consumer. If my only choice is Xfinity, there is something wrong
