**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please help preserve competitive broadband DSL service for consumers. Small businesses like Sonic provide consumers with a choice and are critical to maintaining a competitive market place. We chose Sonic because it allowed us cheap unbundled internet service and a provider that cares about end users. Please do not allow AT&T to implement a monopoly on this space. We need the bridge to broadband.
