47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in an area that has little in the way of competition as far as internet service providers are concerned. I want as much competition as possible. I would hope that all that is possible to keep prices fair and competitive would be your number one priority. I implore you not to let US Telecom undercut the service that Sonic provides for me and my community. Thank you.
