**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am stuck with only one internet provider at an inflated rate of over a \$100/month for a meager internet service that is inefficient. I am surprised that the United States which stood to allow more competitiveness and quality in the market place, appears to have fallen asleep to the needs of its populace.

Let's have more competition and quality for a change !

Wake up United States and be # 1 again !!
