**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

If my choices for phone and Internet services were reduced down to only AT&T and Comcast in my area, my cost would not only be massively increased, but my services would be reduced and capped as well. I find this absolutely unacceptable knowing that high quality service is available at a fair price right now.

AT&T and Comcast do not offer comparable service to what I am receiving with competition available, and I do not see them offering comparable service when competition is removed.

Thank you.
