**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural area and use Century Link, however, Century Link is giving us a very small amount of band width with the capacity to supply more, they just won't do it. We complained and it went nowhere.

If we don't have competitive choices with smaller and more responsive services, then we are up you know what creek without a paddle.

Please do not allow large providers to take away broadband competition. This is a fast growing area, and we need choices.
