**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that support broadband competition, these larger companies rob and overcharge people especially in low income areas. Sonic has allowed me to afford internet and phone services especially as a student. I refuse to be bullied into using another company, our community need continued access to competitive rates and services without all the extra fees. Comcast and at&t are dishonest and overcharge customers.
