**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because I was tired of having my rates jacked up constantly and having my internet speed throttled by AT&T or Comcast.

Competition is good for consumers and provides a need for innovation.

I say NO to price hikes that will increase the cost of internet and telephone services.

As a high school teacher, I depend on high-speed internet, since all of my grading is online.

I used to have DSL, and since I switched to fiber I will not go back!
