**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please leave intact the 1996 telecommunications act. After many years of poor service and surprise increases, I'm finally with a carrier I am happy and satisfy with. The frustrations and stress are gone and I would like to thank SONIC for a job well done. The fiber system I have now out performs the old DSL by leaps and bounds. I have been a customer for 1 1/2 years and this truly put a shining light on competition and why it is needed. Have not had a price increase over a year which is unheard of with the old provider.
