**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been using sonic for my internet and phone service for the past 7 years. Largely because Comcast was the other alternative was much too expensive. They also used deceptive marketing and pricing which were difficult for people like myself to understand. I'm a 78 year old disabled vet and am dependent on Sonic for my internet and phone. Unlike Comcast Sonic has live representatives available to address any issues. They are personal and responsive and listen to what you have to say. They may be a business but their not "all about the money" as are the other providers.

Thanks for helping us old timers,

Ronald Rozewski
