**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a small business, we rely on Sonic to provide internet access. Their product is far better in terms of features than offered by AT&T.

I can only imagine that if USTelecom's proposal goes through that we will be paying much higher prices for lesser service.

Our business cannot afford to pay monopoly prices!

Please keep 1996 Telecommunications Act access in place.

Thanks!
