**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have to have competitive providers. If you leave us with only the 2 or 3 big companies we will suffer like we have in the past. Companies like Sonic have saved me more money and provided better service than we ever got with AT&T, Comcast or Directv.

Broadband service is critical part of my business at home, and I've never had the kind of service we get from sonic. In 3 years, i've never lost internet, that alone has save me thousands in work expenditures. The fact that I have fiber now, compared to the DSL we had is a huge difference. Not to mention the telephone service they provide. Please don't think we don't exist, we do, and we need companies like Sonic to survive.

Thank you,

Shawn Sullivan
