**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use competitive providers (Sonic) for internet. They provide a healthy competition to the large corporations that are trying to gain monopolies. Please act in good faith to the people and let the competition continue to use the copper lines that the tax payers paid for. We the people need you to keep us safe from price gouging and the only way to do that is to keep healthy competition between all telecoms big and small.

Thanks,

Aric Johnson
