**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to have DSL service from AT&T. But, they were too slow and no longer competitive in the marketplace with fiber to the home (not just backbone). Small carriers using UNEs are vital to the competitive marketplace that enables innovation, lower consumer cost, and choice.

Thank you for maintaining key components of the 1996 Telecommunications Act.
