**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I recently switched service to maintain a high level of service at a reasonable cost. The monopoly that has existed was deaf to our concerns about rising costs. Greed is no justification for providing a service to the public at a cost above what it should be. I have switched to SONIC for superior service at a lower cost.

The old regime based on a noncompetitive structure is NO justification to cause higher costs to the majority of US taxpayers to provide higher fringe benes to a few.
