**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am opposed to the USTelecom petition to dismantle key components of the 1996 Telecommunications because the facts they represent are inaccurate and the change will increase my fees.

I am semi-retired and an increase in my internet fees will create an increased financial burden on my already limit income.

Thank you for considering my viewpoint.
