**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition. I chose a competitive provider - Sonic - a few years ago because its excellent customer service is unparalleled and because I was deeply frustrated with the atrocious tactics and terrible customer service I experienced back when I was a Comcast customer. Broadband is critical for me, as I work from my home office. I am opposed to price hikes that will increase the cost of my internet and telephone services.
