**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is an absolute necessity for a healthy economy. Because of competitors like sonic I am able to use and have access to the internet and still able to pay my other bills. If this is taken away, i guarantee there will be a revolt and your successors will reverse the demand you will have caused if you allow the dismantling of competition.
