**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use the Internet to stay connected to family and friends and to educate myself on interests. I wish I could have Sonic Internet as my provider. I only have two expensive choices, AT&T and Comcast. I hoped that Sonic would be able to expand into my neighborhood. More competition should bring the price down. Please allow Sonic access to unbundled network elements so my neighborhood may have more options, and see a decrease in price.

Sincerely,

LINDA SCOTT
