**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am currently a residential customer of Sonic in Santa Rosa, California and I feel that I will be materially affected if the USTelecom petition currently before you is granted.

I rely on the services provided to me by Sonic in Santa Rosa, California and I strongly oppose this petition. If granted, I believe that telecom competition would be adversely affected and I am fearful that my access to fast, affordable internet and phone service would be severely hindered.

Please consider me, and all the other customers of competitive local exchange carriers and our reliance on these providers and the competitive services they provide.

Sincerely,

Justin Higgs
