**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I need the Bridge 2 Broadband. I chose local competitive internet providers, Sonic.net. I already used AT&T ISP service many times. I did not like tier services for many reasons. Manly is service is not stable, customer service not as expected, trouble tickets taken long time to respond, and service price points. As a consumer, I need competitive providers to choose.
