**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm picking Sonic as an internet provider because it provides really fast speeds at the same prices as a much slower speed internet provided by those big internet companies like Comcast and AT&T.

I say NO to price hikes that will increase the cost of internet and telephone services. I have been waiting for fiber connection today but were previously connected with competitive DSL from Comcast, and I want Sonic to be my provider.

I've had enough bad service from Comcast just because they're a big company and almost serve lots of residential areas in Berkeley and the Bay Area.
