**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider for the fact that our constitution forbids monopolies and in my area large cable providers like Comcast and ATT are creating monopolies and are able to charge the consumer outrageous prices because people think they have no other option. When I found Sonic, I immediately signed up. I told my co-workers, friends, and family. Now, Sonic is pretty prevalent in our community. If this petition goes through, myself, and MANY others WILL absolutely be affected. Be advised that if we do not have competitive companies to chose from, we will not choose at all. We are AGAINST big companies and will not support them. You would be taking internet and phone access away from thousands of people who will not support monopolies. Please reconsider this petition and keep our markets competitive.
