**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is critical. There is already too much consolidation in the internet and telephone services. We need more broadband providers. As a business, it's important to have options. For example, in our building, we only have access to AT&T because the building management has a deal with them. That leaves me paying 2x what I pay at home where there is competition.
