**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently have an amazing internet provider. Taking away the smaller competition would be detrimental to me, as the larger companies charge more and have poor customer service. If those large companies are struggling to gain and maintain customers, they should look at their own business practices instead of trying to unfairly get rid of the competition.

Thank you.
