**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as an internet and landline phone service provider because they provide excellent service at an affordable price. As a residential broadband and phone subscriber, I would be "materially affected" if USTelecom petition to dismantle key components of the 1996 Telecom Act is granted. There is indeed carrier such as Sonic, who need access to UNE services, to compete in the residential broadband marketplace. I strongly urge you to maintain competitive access by denying USTelecom's petition.
