**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an individual subscriber who relies on a local internet and phone service provider. It competes directly with large service providers. The support that I receive from my local company is far superior to that offered by the local AT&T affiliate, and its price is lower as well. Please preserve competition, low prices and superior service by voting to retain DSL broadband connectivity.
