**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In the country of Freedom, I am really upset when my government gives in to monopoly practices of large corporations. We need free competition to maintain customer fairness. Please allow independent carriers to access the countries internet and provide competitive services to all citizens.

The big carriers have ignored my address in the move to fiber. I have very little choice left other than Sonic to get fair pricing.
