**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep broadband competitive. I use a local internet provider any the service is superior and less expensive than the greedy Telecom giants.

I do not bundle my services and use only phone and internet. My local provider offers the only reasonable plan for these services.

Do the right thing for consumers!

Thank you.
