**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

There is already too little competitive choice in internet access and telecom service, and if the petition is approved, independent carriers across the country will lose access to critical network elements, and consumers could lose their choice of providers.

If the petition is approved, independent carriers across the country will lose access to critical network elements, and consumers could lose their choice of providers.

I value competitive choice and oppose the USTelecom petition.

Sincerely,

Hilary Naylor
