**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition among broadband providers is very important to me. I subscribe to a small regional provider that provides me with service that is 10 times faster than Comcast can offer me at about half the price of their average plan. There is no compelling reason to push out competitive businesses in favor of titans like Comcast and ATT other than greed. Please do not let greed ruin yet another otherwise wonderful thing about the world.
