**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential consumer who supports broadband competition. When I relocated approximately 8 years ago, I changed from a giant carrier to a local carrier. I have been exceptionally pleased with my new carrier (Sonic.) They were able to port my phone number and have provided me with exceptional phone and internet service at a reasonable price. I have no desire to sign on to a major carrier and have my bill increase exponentially in order to receive the same type of service.

Thank you.
