**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been with Sonic for the past 5 years. It's a local company very reliable and I like their services and their affordability. I think it is important to keep broadband competition and not being stuck with only 2 choices of providers with risk of price hikes that will increase the cost of internet and telephone services.

Sincerely.
