**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is critical to my work and social life. To keep Service quality high in price is reasonable, I need competition in my market, where currently only two companies (AT&T and Sonic.net) offer fiber internet.

Currently I rely on fiber for my Internet access. Before fiber, I used competitive DSL. Both then and now I chose to access the Internet through Sonic.net.

I am concerned by reading in the news that provisions to keep competition alive in the ISP market are at risk. Please make sure competition is maintained as this will benefit myself and my community.

Thank you.
