**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't take our internet provider away. For years we were stuck with Comcast with awful customer service, constant issues and unnecessary bundles. Moving to Brentwood, CA we finally were able to get Sonic, with the best speeds at amazing rates. Now AT&T is trying to force Sonic out, leaving us with only AT&T and Comcast, both of which provide no customer service because of their size, and thrive on the dependencies of people who don't have other options.
