**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We use an internet plan that uses copper phone lines for the last mile. Stopping the use of these lines will force me to use AT&T and monopolies internet line service. We need competition to keep costs and service options available to the consumer. I left AT&T because of their policies and poor customer care. Please do not force us back to DSL and AT&T.
