**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I care about competition. Stop letting the big corporation buy its way to dominance. If they have there way, this will become a monopoly and there goes the free market. Why do company think they can get away just because they are too big to fail.

I used to have DSL. Then Cable, and now I have Fiber. I can't say enough how Fiber is changing everything I do and I pay a lot less each month. I asked why is that. Why can't the big 3 connect its customer on fiber network?
