**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We chose a competitive phone and broadband provider for our business to better our service and to lower our operating cost. Our business depends on constant broadband service to operate or we are out of business. We have used other services and are very happy with the service we have and do not want to see any change.
