**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a user of a local provider Sonic and they provide an amazing service compared to ATT. Without decent competition, ATT would saturate the area with their poor service and would refuse to innovate. Sonic brought fiber to my neighborhood and it was wonderful. After this ATT started adding fiber as well. This would not have happened without local competition.
