**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The reason why I picked Sonic was because of the high level of care and customer service they provided. I used ATT for a long time. When I had problems or issues I almost never got a person. And when I did I couldnt understand them and they couldnt understand me. I think the idea of competition in the country has also become lost. Its something we used to have all the time which caused better service and care for the people. Please leave me with my Sonic.
