**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been using Sonic, a local broadband provider for a couple of years. Previously I had DSL service through ATT, and find the price and service I get from Sonic to be vastly superior. I believe competition helps to promote xbetter service at more competitive prices. Please keep this industry competitive.
