**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. After years of living with terrible Comcast internet that was constantly cutting out, I moved to a small broadband internet and have never had another problem.

I am writing in support of competitive Internet access and telephony providers, and to urge denial of the USTelecom petition for forbearance.

It is unacceptable that so many people in this country are stuck with just one or two providers. These massive companies treat their employees and customers terribly because they have no accountability.

Best,

Alexandra Zimbicki
