**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I wanted to let you know that I have Sonic as my internet and phone provider. I have been using this service for a few years and have been very happy. They have fast computer service and absolutely great customer service. If you have a problem they answer the phone and are very pleasant and help you correct the problem. And they stay on the line until you have fixed the problem--even if it's your own problem and not theirs. They provide this service for a reasonable amount of money.

I used ATT prior to Sonic and was always having problems---which the company rep--when he/she finally answered the phone was never helpful with. Basically said TOO BAD. And they were more expensive.

Please do not limit providers. I do not want to use ATT again.

Thank you,

Tobie Lurie
