**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please represent the PUBLIC INTEREST, NOT THE CORPORATE MONOPOLISTS. I am both a consumer and a small business owner who relies on efficient and economical internet and phone service, which the large corporations have failed to provide; Sonic has filled this need here, and now you are being asked by big cable to take away their ability to serve effectively in our community. The common good, not corporate greed, must continue to be the guiding principle by which our public agencies operate, or we are lost.

Do your duty, serve the public!
