**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. Dont allow large telecom companies to take over the marketplace. Competition is critical for a successful economy that caters to people of all economic levels. Internet Service Providers such as Sonic are breathing new life and ideas into the industry.
